	25X1X6 The following info	ormation was and an engi	obtained in Yugos neer of the Bor co	lavia from opper mines;
1.	A great number of workers inducted for compulsory labor left their work and disappeared during the Fall of 1949. Most of these desertions occurred on the construction of the auto- mobile highway from Zagreb to Belgrade and in mines.			
2.,	The number of laborers who deserted the highway construction is estimated at 20,000. A managing official said that 21,800 new workers had to be employed to replace the deserters. The desertions are believed to be the result of Cominform propaganda.
